HEALTH

&

SAFETY

POLICY

STATEMENT

This policy will say how MINDVERSE CONSULTING SERVICES will manage it's health and safety responsibility as an organization as described within the laid down Rules & Regulations of the Land.

The key points of its strategy to achieve this are:

- Controlling the health and safety risks at work.
- Involving employees on health and safety issues that affect them.
- Making sure that where employees work and any equipment, they use are safe.
- Making sure that dangerous substances are stored and used safely.
- Making sure employees, especially new employees, have relevant information and training on health and safety related issues.
- Making sure employees can do their jobs and are properly trained.

.

- Trying to stop accidents and work related health problems/issues.
- Periodically checking that working conditions are safe and healthy.
- Periodically reviewing this policy and making changes, if necessary.
